Issue 1 - July/August 2018

## Welcome from Lisa!

Hello Ladies!

Women's Life Enrichment Ministries (WLEM) committee is excited to present to you this first bi-monthly newsletter to keep all our ladies informed of the wonderful ministries and activities offered here at MMBC.

The WLEM team is working diligently on several new ministries and events. These plans include a younger women's ministry group for ages 18 to 25; intergenerational activities between our more seasoned ladies and younger women; and a special visit from our State Director on Missions. Watch the Sunday Bulletins for announcements.

Are you interested in learning more about these plans and others offered? Then join us for an Ice Cream Social on August 23, 6:30pm in the fellowship hall! Facilitators will share about each ministry and how you can get involved. Don't miss it!

Women's Bible studies are on-going Wednesday and Sunday evenings. These small groups get into God's Word, fellowship and pray together. Most new studies begin about every 8 weeks.

Please plan to attend Summerfest with your family and friends! This is a fun day for the kids to the grandparents and a wonderful opportunity for all of us to invite guests.

And finally, if you have questions about WLEM, call the church office at 734-241-6860 and leave a message for me, or Rhonda and Jenny will be happy to help you!

I am new to this role in WLEM and blessed to be a part of such a wonderful team of women eager to worship and serve Him! If you are not yet a part of women's ministries, please take that next step and join us this summer. I will be praying for you!

The purpose of the Women's Life Enrichment Ministry is to lead women of all ages and phases of life to live in fellowship every day with Jesus Christ through:

- Providing personal growth resources centered on the Word of God designed to meet the complex spiritual, emotional, physical, mental and relational needs of today's woman;
- Preparing women to intentionally make the Lord more meaningful in their own sphere of influence through personal evangelism; and
- Presenting women with ways to impact the world for Christ through mission opportunities.
