## Issue 6 - May & June 2019

### Notes from Lisa!

This past April several of our ladies attended the Priscilla Shirer Live Simulcast at First Baptist Church in Livonia. We gathered with thousands of women across the world via satellite for song and worship. Priscilla encouraged our hearts with many scriptures and relevant life lessons from

the Word of God. It was a wonderful day of fellowship with sisters in Christ!

In this issue our focus turns to activities planned for our children and families — Youth Camp, Vacation Bible School and Family Summerfest. A women's event is being planned for August. More details to come soon!

On-going are Women's Bible studies Wednesday and Sunday evenings, along with a women's Sunday school class that meets **at 9am Sunday** mornings. There are a variety of other women's ministries too and we have listed leader names in this issue. You can always call the church office for more information.

I hope you have an enjoyable summer spent in sweet fellowship with family and friends!

Love in Christ,  
Lisa Jordan  
WLEM Leader

## Easy Strawberry-Orange Fruit Jam

2 cups chopped fresh or frozen strawberries (or small whole berries)  
1 cup chopped and seeded orange segments (about 2 oranges)  
1-1/2 cups sugar  
1 large lemon  
2 tsp plus 2 tsp powdered pectin (I used Ball Real Fruit Classic Pectin)  
1 tsp finely grated fresh ginger (optional)

1. Stir together fruit and sugar in saucepan. Let stand 10 minutes. Meanwhile, zest lemon to equal 1 tsp. Cut lemon in half; squeeze juice from lemon into a bowl to equal 2 tsp. Remove seeds, peel and section the squeezed lemon, then chop.
2. Stir pectin and, if desired, ginger into fruit mixture, and bring to a rolling boil over medium heat, stirring often. Boil, stirring constantly, 5 minutes. Reduce heat to low; stir in lemon zest, chopped segments, and lemon juice. Cook, stirring occasionally, 3 minutes; remove from heat. Cool 10 minutes.
3. Pour jam into 2 (8-oz) canning jars, and cool completely (about 30 minutes). Cover with lids, and refrigerate up to 1 month.

\*\*2 cups blueberries with 1 cup blackberries or  
2 cups chopped peaches with 1 cup raspberries can be  
substituted for the above fruits.
