Online Giving Options

You can set MMBC up as a vendor in your Online Banking options (if your banking institution offers this). You can do a one-time donation or set it up as a weekly, monthly or other options that your bank offers. This will send us a check in the time frame you have determined that works best for your budget. The memo field can be used if you would like to designate a gift to a certain ministry.

We now offer Online Giving where you can use an ACH Transaction from your checking or savings account as well as a Credit/Debit Card Transaction. Please click the Online Giving link on our church website (www.mmbconline.org) and it will take you to our Online Giving Page. There you will find different options for you to donate. The Online Giving option will take you to a secure website for you to complete your transaction.

We also now have Text Giving. It works the same as the Online Giving but you can do it from your phones. Just text "Monroe" and the dollar amount to 73256 (Realm) and it will open a link for you to click to complete your transaction.

Whatever method works best for you we hope you will take advantage of. We appreciate so much your commitment and faithfulness to MMBC as we strive to be good stewards of the finances God has allowed us to have. It is our honor and privilege to minister alongside you as we try to reach others with the gospel of Christ.
