

Kid's Devotion Notes Together in Christ

What did you do in worship?

What songs did you sing to God?

What bible verses can you memorize and think about?

Who have you prayed for?

How can you build up another person in faith this week?

POINTS TO DISCUSS

- Who are the "Weak" and "Strong" Brother?
- Why is it important for us to know that Paul is writing to Christians?
- What is the difference between a tradition someone holds and what the bible says on a topic? Which has more authority? Example?

Apply

1) Stronger brothers should be willing to let go of their liberty to encourage a weaker brother. What areas can you be a stronger brother? What areas might you be a weaker brother, needing to grow?

2) Our freedoms in Christ are not about us, but HIM. What about our sinful nature makes that difficult for us to hear and then give God the glory? How does Jesus transform this part of us?
